## Thank you Susan

As the foundation celebrates its 25th Anniversary, the past and current board members and staff say goodbye to one of our Founding Board Members, Susan Drayson

After attending an information session held by The Thomas Sill Foundation with Marlene Siatecki, Susan was inspired to form a committee and work towards the formation of the Beautiful Plains Community Foundation Inc. In 1995, the Beautiful Plains Community Foundation Board held their first information session introducing the Foundation to our community.

Hours of volunteering, fundraising and advocating by Susan and countless board members, volunteers and with the amazing support of donors, the BPCF can celebrate distributing over \$2.4 million in grants and scholarships and having endowment funds over \$3.9 million.

The Foundation board and staff would like to thank Susan for her contribution to the Foundation and our community.

*"Time is fleeting. But the impact we make within that time is eternal" - Orly Wahba*

This quote exemplifies Susan's impact to the Beautiful Plains Community Foundation and our community.
