# **PRESIDENT'S MESSAGE**

2020 has been a year like no other and the same could be said for the Beautiful Plains Community Foundation. In 2020 the Beautiful Plains Community Foundation celebrated our 25th anniversary of providing grants to qualifying organizations within the Town of Neepawa, Rural Municipality of Rosedale, Rural Municipality of Glenella-Lansdowne, and the Langford portion of the Rural Municipality of North Cypress-Langford.

Due to the global COVID 19 Pandemic that reached Manitoba in March of 2020 our annual Grant Luncheon was cancelled in 2020, however we still provided grants and scholarships of \$172,850 in 2020 to our communities.

Additionally, in 2020, as part of the celebration of our 25th Anniversary we also held a 25 Days of Giving Draw, where 25 randomly drawn organizations, each received a share of \$25,000, ranging in amounts from \$500 to \$5,000. Our 25th Anniversary celebrations did not end there, with a random acts of kindness celebration where we gave out an additional \$ 2,500 that was awarded to local business supporters of the foundation for the purpose of being granted to a charity or organization of their choice.

Furthermore, we also distributed a total of \$70,000,00 in funds to area organizations through Community Foundations of Canada grants related to the COVID 19 Global Pandemic.

In June of 2020 we saw Shelley Graham complete her 6-year term as a Board Member of the Beautiful Plains Community Foundation. The board would like to thank Shelley for her valuable contributions to the board through our meetings and many community events that she assisted in during her time on the board of the Foundation. Brad Walker concluded his term as the President of the Beautiful Plains Community Foundation in June 2020 as well. Brad's leadership and guidance through his term as president did not go unnoticed and was greatly appreciated by all who served on the board during that

In December 2020 we welcome Sarah Fast as a new board member of the Beautiful Plains Community Foundation. We look forward to her contributions to our board meetings and future community events.

As the President of the Beautiful Plains Community Foundation, I am extremely proud of our Board Members for all their contributions this year. This past year has been challenging from a board perspective, having to hold our meetings virtually due to the COVID 19 Health Restrictions. This was a challenge that we all persevered through.

Helping guide us all through these times is our Executive Director Brenda Kryschuk. Brenda continues to provide the board with the direction needed for all of us to succeed, while displaying dedication and a strong passion to the success of the Beautiful Plains Community Foundation. Her direction has guided us through these most challenging

times, bringing everyone on the board of directors along to ensure that our meetings can be as productive and efficient as possible during these uncertain times.

While the board had plans for multiple events through the course of the 2020 year to celebrate our 25th Anniversary, the COVID 19 Pandemic forced us to cancel many of these events. Despite the cancellation of many of our special events planned for the 2020 year, along with many of those events that everyone has come to know the foundation for hosting, we were able to have another successful year as a foundation, in large part to our supporters. Without the continued support of the community, we would not be in the position we are today, and for that I sincerely thank you.

While we are uncertain of any special events occurring during the 2021 year at this time due to COVID 19, we will be hosting the annual Giving Challenge again in November in conjunction with the support from Endow Manitoba and the Province of Manitoba

Thank you to all of you in our communities who have supported the Beautiful Plains Community Foundation in some way in the past. We look forward to any continued support that you can provide, allowing us to continue to make a difference in our communities every year.
