### **PRESIDENT'S MESSAGE**

2021 saw the impacts of the COVID-19 Global Pandemic continue throughout the world and the Beautiful Plains Community Foundation was no different in seeing these impacts continue. For much of 2021 our office was closed to the public and all our events that we had planned were once again cancelled. While most would assume that this would lead to a poor year, despite all the challenges brought forth by the COVID-19 Pandemic, the Beautiful Plains Community Foundation continued to grow and move forward with total endowment funds exceeding \$4.5 million at the conclusion of the 2021 fiscal year.

2021 was the first year that the Beautiful Plains Community Foundation Land Project took place, which despite the poor growing season seen by much of the region, turned out to be profitable for the foundation with a profit of \$11,000 being realized and invested by the BPCF into the community fund. Many thanks go out the Town of Neepawa for the opportunity provided to the BPCF by way of the land rental agreement, Jack Falk, Jamie Denbow, John Lavich, and Keith Jury for their time and efforts in securing sponsorship, product, and labour for the project, as well as the many companies and individuals who have provided seed, fertilizer, chemical, planting, harvesting, tillage, grain transportation, and anything else that was required to make this event a success. We hope the 2022 crop year again proves successful for the community foundation.

While 2021 saw the cancellation of the annual grant luncheon once again due to the COVID-19 restrictions, we did broadcast the announcement of the annual grants on NACTV with a locally produced television event. That event saw the foundation announce grants and scholarships totalling \$176,466 for the 2021 year. These grants were again distributed to many organizations and events throughout the Town of Neepawa, RM of Rosedale, RM of Glenella-Lansdowne, and Langford portion of the RM of North Cypress- to support the Beautiful Plains Community Foundation through the past year. Without Langford.

June of 2021 saw Brad Walker and Mark Morehouse conclude their terms on the board of directors of the Beautiful Plains Community Foundation. We would like to thank each of them for their time and commitment made to the Beautiful Plains Community Foundation. Their contributions as board members and leaders within the community foundation did every year. not go unnoticed.

In September 2021 we welcomed two new board members, Iris Kooting and Terry Beuchler, to the BPCF board. We look forward to their continued input and growth as

members of the Beautiful Plains Community Foundation board of directors. As the president of the Beautiful Plains Community Foundation, I would personally like to say how proud of and grateful for the contributions made by each and every board member presently serving on the board of directors of the BPCF. We continue to face new challenges, seemingly daily, in this post-pandemic world and our board has persevered through them all.

I would be remiss to not mention the efforts put forward by Brenda Kryschuk, our Executive Director, who does her part and more to ensure the growth and stability of the Beautiful Plains Community Foundation. She has consistently provided the necessary guidance to the board of directors and has served as an excellent resource for all board members with her knowledge and passion for all things related to the community foundation.

With the turning towards 2022, we look forward to being able to once again host many of the events that everyone in the community has come to look forward too from the community foundation. We will be seeing the return of the JC Lavich Construction Hard Hat Golf Tournament, benefiting the community foundation, as well as many of the events around the Giving Challenge Week in November returning this year. As well, watch for the premier of the Beautiful Plains Community Foundation Dancing with the Stars event that will be premiering in February 2023, with many plans already being put in motion for that event.

On behalf of the Beautiful Plains Community Foundation, I would like to extend my sincere gratitude and appreciation to the members of the community who have continued your support the ongoing efforts of the Community Foundation would not be possible. Thank you to all of you in our communities who have supported the Beautiful Plains

Community Foundation in some way in the past. We look forward to any continued support that you can provide, allowing us to continue to make a difference in our communities

Brent Sorenson President
