ANNOUNCEMENT New Member of Staff

We would like to introduce Melissa Grindheim who has taken on the role of the Executive Director for the Beautiful Plains Community Foundation. Melissa moved to the community from Saskatoon and is very excited to get to know everyone and becoming involved with her new community. When she is not working with the Foundation, Melissa enjoys spending time with her friends, family and animals.

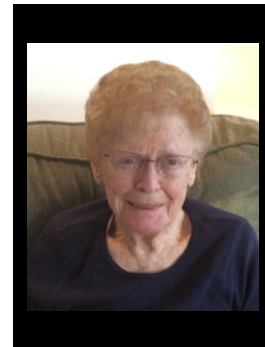

This year with the help of this very successful fundraiser, the BPCF foundation raised over \$25,000 in one week to help grow the Community Endowment Fund. Thank you to everyone who donated during the 2023 giving challenge!

Fundraiser for the
Beautiful Plains Community Foundation

Join us for an amazing night of entertainment!

This year the Beautiful Plains Community Foundation partnered with Tim Hortons to raise money for the foundation and the Tim Hortons Camps Foundation. Together with the help of the community purchasing a Holiday Cookie, we were able to raise \$3,168 for each foundation.

Thank you to Tim Hortons and to everyone who purchased a cookie!
